## **Interactive Account Executive**

ARS is a thriving, full-service northwest suburban marketing agency. Our clients are consumer-brand retail giants who continually challenge us to provide top-notch e-marketing solutions. We meet that challenge with creativity, strategic thinking and a team-oriented work ethic. We want candidates who are passionate about the business and excel in a deadline-driven environment.

Check us out: [thinkars.com](http://thinkars.com)

### **We seek trend-setting innovators:**

- Stay on leading edge of trends in interactive marketing
- Innovator in e-marketing who promotes Web 2.0 thinking in your work
- Business major desired

### **You should have these qualities:**

- Energetic innovator with entrepreneurial attitude
- Think, lead and go beyond the status quo
- A team player that is focused on quality work
- Able to develop, optimize and adapt to unique processes
- Extremely organized with superior communication and relationship building skills
- Strong personal initiative and sense of urgency

### **Your projects will include work on:**

- Several of the top 10 consumer e-commerce sites in the USA
- Proposals, strategy documents, project planning, management and budgeting

### **You must bring your experience:**

- 3-5 years of interactive management experience
- Understanding of the lifecycle of IA projects including design and technology
- Quality assurance of interactive experiences
- Projects involving design, back-end technology and user experience
- Web analytics knowledge is desired but not necessary

ARS provides an innovative, quality-focused environment as well as medical, dental, vision, prescription drug and life insurance options and commensurate salary. A 401k program with company match is offered after one year of employment.

Please send your cover letter, resume and salary requirements to [opportunities@chicagoars.com](mailto:opportunities@chicagoars.com). Please include JOB TITLE in subject line. Candidates whose profiles most closely match our requirements will be contacted. No phone calls please.
